

Qualified Architect/Experienced Part II

London, Full-time, Permanent

Make is a different kind of architecture practice. Founded by Ken Shuttleworth in 2004, we're an employee-owned firm pursuing a democratic design process that values everyone's input. The Make studios are filled with incredibly talented people from around the world, from architects to IT professionals. Everyone who works here is great at what they do and does it with passion.

We're an equal opportunities employer committed to creating an open and egalitarian working environment. We've been listed in the Sunday Times Best Small Companies to Work For ranking on multiple occasions and were named the AJ100 Employer of the Year (2016).

We are looking for a qualified architect or experienced Part II who has solid technical experience, ideally working on UK projects. Although we are recruiting for a particular project we look for people who will fit within the wider practice and our culture.

As well as solid technical knowledge, we look for excellent communication, mentoring and social skills – people who are not afraid to be themselves and get involved.

Revit skills are essential.

If you feel you match our needs, please send your CV, portfolio and salary expectations to experience@makearchitects.com

No agencies please.
